**Attachments:** Draft CAG 5-10-2018.pptx

Good morning

I have attached what I have so far for the CAG presentation please look out for the following  
Did I incorporate the most important point from the CSTAG comment?  
In the notes, I have some questions, some I already asked James, some are new.  
Are my notes accurate?

I am not able to receive any emails today, but they are aware and working on it.
